WOMEN WELFARE HYGIENIC PRODUCTS

SANITARY NAPKIN VENDING MACHINES

We the women's, have to face monthly once very big problem during period's time. We need Napkins on that time immediately when the flow begins where ever you were. On that time most of the women's carry their fresh napkins with them. Nowadays Lady's play a vital role in the society and all the works equally handled by them also. On that occasion unexpectedly they have their periods by earlier,

So to overcome this problem we ready to use the sanitary napkin vending machine. Any Time Any Where it solve this problem of getting a fresh napkin. It should be very easy to handle it and we can refill the machine at periodical intervals. During vacation trip or any other places it should be carry over along with us. So it is an issue to cancel or post phoned our programs reasoning this.

During first three days of mensuration females need to change their sanitary napkins for every 3 to 4 hours. Sanitary napkin dispenser machine is undoubtedly an important addition to any location and it will help you to obtain the napkins any time of the day you need without any hassel's.

WHY VENDING MACHINE ?

- ◆ Vending machine – A personal hygienic product for women.
- ◆ Immediate access to napkins at any time of the day to meet menstrual emergencies.
- ◆ Waves the embarrassment of seeking napkins in the peer group or from authorities.
- ◆ Sanitary napkin vending machine will help you enjoy freedom on those tough days as you will be able to obtain the napkins easily in any location.
